Whirlwind GTV

Value without compromise.

Choose from three models which are all built with simplicity, space, and affordability in mind.

Whether you opt for the compact 5.4m Whirlwind GTV 554, 6m Whirlwind GTV 560 or the longer 6.36m Whirlwind GTV 563, you'll enjoy light and modern living spaces, smart storage, and practical features that make every journey a pleasure.

With a minimalist exterior, a clean interior palette, and essential equipment as standard, Whirlwind GTV is the no-nonsense campervan ready to take you further for less.

Image shows vehicle with optional paint finish, electric step and awning

1 Rear-View Camera

Rear-view camera integrated with the 10" Zenec infotainment system provides a clear, wide-angle view behind the vehicle, making reversing and manoeuvring simpler and safer, while the large touchscreen keeps essential driving and entertainment functions conveniently within easy reach.

2 Safety as standard

Each Whirlwind Campervan is fitted with the Safety Package which includes emergency brake assistant with pedestrian detection, lane keeping assistant, traffic sign recognition, fatigue detection and intelligent speed assistant.

3 Optional Awning

Choose the optional Anthracite awning to extend your living space outdoors to create the perfect sheltered area for dining and relaxing.

4 Optional Pop-Top Roof

Increase your campervan's versatility by adding two additional sleeping berths, making it ideal for growing families, grandchildren or travelling with friends, while maintaining the Whirlwind GTV's compact footprint.

5 Cab Area

Comprehensively equipped for every journey, with driver and passenger airbags, ABS brakes, power steering, cruise control, automatic headlights and windscreen wipers. These features combine to enhance safety, reduce driver fatigue and provide greater comfort and convenience, allowing you to enjoy every mile with confidence.

6 Engine

Built on the trusted Peugeot Boxer 2.2-litre MultiJet Euro 6D-Final chassis, the Whirlwind GTV delivers dependable performance, refined driving characteristics and proven reliability, helping you enjoy every journey with confidence.

10 Alloy Wheels

16" Alloy wheels enhance the Whirlwind GTV's contemporary appearance while offering a lightweight, durable design that contributes to confident handling and a refined driving experience.

9 Exterior Styling

White paint comes as standard, giving the Whirlwind GTV a clean, fresh and contemporary look. For a sportier appearance, the optional Iron Grey finish adds a dynamic feel.

Whichever colour you choose, sleek graphics with signature Elddis red accents create a modern exterior.

8 NCC Approved

NCC Approved for complete peace of mind. Every Whirlwind GTV undergoes more than 280 independent inspections and quality checks to achieve NCC Approval, demonstrating our commitment to quality, safety and manufacturing excellence so you can travel with confidence.

7 Transmission

The 554 comes with an Automatic transmission as standard, providing smooth, effortless driving that's ideal for both long journeys and everyday use.

The 560 and 563 feature 6-speed Manual transmission as standard, giving drivers greater control and engagement, with the flexibility to upgrade to Automatic transmission for an even more relaxed driving experience.

1 Interior Design

The Whirlwind GTV's bright, contemporary interior has been designed to maximise the feeling of space. Light wood furniture is paired with crisp white worktops and soft, light-coloured upholstery to create an open, airy atmosphere, while still delivering the warmth and comfort of a true home from home.

2 Living Space

The front lounge is the perfect place to relax - stretch out on the comfortable bench seating or simply swivel the captain's chairs to create a sociable living space.

3 Optional Front Bed Conversion

Need an extra sleeping space? No problem. The front lounge quickly and easily converts into a spacious, comfortable bed, making it perfect for an additional guest or family member.

4 Kitchen

The well-equipped kitchen has everything you need to prepare meals with ease, whether you're making a quick breakfast or cooking a hearty evening meal. The Thetford oven comes as standard, complemented by a practical two-burner gas hob, giving you the flexibility to cook just as you would at home.

Thoughtfully designed storage keeps everything within easy reach, with well-positioned cupboards for your cookware, a convenient hanging rail for utensils, and a practical wall pocket that's perfect for storing everyday essentials, helping to keep your worktop clutter-free and your kitchen organised.

The Thetford 90-litre fridge with integrated freezer is conveniently positioned beside the sliding door, making it easy to access whether you're preparing meals inside or outside.

5 Bedroom

All Whirlwind GTV layouts feature a spacious rear bed, providing a comfortable place to unwind after a day on the road. Open the rear doors to let the fresh air in and enjoy the view from the comfort of your bed. When it's time to travel, the rear bed can be left set up or folded away to create a generous, versatile storage area, giving you plenty of room for bikes, outdoor equipment or holiday essentials.

6 Bathroom

The bathroom in the Whirlwind GTV is compact yet still offers you a Thetford toilet, shower, sink and storage. Plus, a 100L fresh water tank combined with the Truma Combi 6 with 10L boiler ensures you always have a great supply of hot running water.

7 Garage

At the rear of the Whirlwind GTV you'll find a spacious, practical garage that's accessible from both inside and outside the campervan, making it easy to load and retrieve your belongings wherever you are. There's plenty of room for everything from outdoor furniture and luggage to sports equipment, while the lashing hooks help keep your gear securely in place during transit, giving you added confidence on every journey.

8 Spotlights and USB

The innovative track-mounted spotlights and USB charging ports can be repositioned in seconds, allowing you to customise both the lighting and charging points to suit your needs. Whether you're reading in bed, preparing a meal or relaxing in the lounge, you can direct light exactly where it's needed and conveniently charge your devices from multiple locations throughout the campervan.

- Note 1:** The Mass In Running Order (MIRO) - Weight of the Campervan equipped to the manufacturer's standard specification including essential habitational equipment.
- Note 2:** User Payload includes the Personal Effects payload, conventional load and the Optional Equipment Payload.
- Note 3:** Maximum Technically Permissible Laden Mass (MTPLM) - The technical maximum permissible laden weight of the Campervan.
- Note 4:** Please take care to ensure that you have allowed for the masses of all items you intend to carry in the Campervan.
- Note 5:** All data is calculated using metric weights and measurements. The imperial figures quoted are conversions thereof. All dimensions have a tolerance of +/- 25mm
- Note 6:** Your Campervan weights have been calculated with all water tanks empty and you are recommended to travel with all water tanks empty
- Note 7:** WARNING : Under no circumstances should the plated MTPLM of the Campervan be exceeded
- Note 8:** Heights are measured to the highest point on an unladen vehicle with the aerial in the lowest position.
- Note 9:** A MIRO tolerance of +1.5% is permitted as per the NCC COP 402 regulation to account for build variance.
- Note 10:** To ensure the minimum user payload of the vehicle is delivered and the MTPLM is not exceeded the removal of additionally specified options may be required.

Whirlwind GT & GTS

Great specification. Exceptional value.

With five versatile layouts to choose from, the Whirlwind GT and GTS ranges offer the perfect balance of comfort, practicality and value, making them the ideal choice for first-time buyers and seasoned tourers alike.

Choose from two slimline GTS models, measuring just 2.2m wide for added manoeuvrability, or opt for one of the three GT models with a wider 2.33m body for even more interior living space.

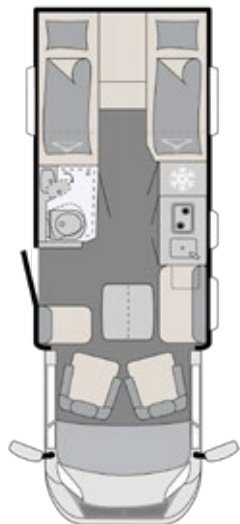

Inside, you'll find a warm, contemporary interior with a clean, modern finish, complemented by clever storage solutions and all the essential equipment included as standard. Thoughtfully designed features throughout make every journey easier, so you can spend more time enjoying the road ahead.

1 Rear-View Camera

The rear-view camera, integrated into the Moniceiver infotainment system with DAB+, wireless Apple CarPlay and Android Auto, provides a clear wide-angle view behind the vehicle, making reversing and manoeuvring easier and more confident. The large touchscreen keeps navigation, entertainment and essential driving functions conveniently within easy reach, ensuring every journey is as enjoyable as it is effortless.

2 NCC Approved

NCC Approved for complete peace of mind. Every Whirlwind motorhome undergoes more than 280 independent inspections and quality checks to achieve NCC Approval, demonstrating our commitment to quality, safety and manufacturing excellence so you can travel with confidence.

3 Cab Area

Comprehensively equipped for every journey, with driver and passenger airbags, ABS brakes, power steering, cruise control, automatic headlights and windscreen wipers and more. These features combine to enhance safety, reduce driver fatigue and provide greater comfort and convenience, allowing you to enjoy every mile with confidence.

4 Engine

Built on the trusted Peugeot Boxer 2.2-litre MultiJet chassis, the Whirlwind GT & GTS delivers dependable performance, refined driving characteristics and proven reliability, helping you enjoy every journey with confidence.

10 Garage

Take everything you need with the spacious rear garage, designed to keep your equipment secure, organised and easily accessible. Illuminated and heated for added convenience, it features access from both sides via twin garage doors with secure turn-and-tighten locks. With a payload of 150kg, anti-slip floor, lashing rails and a 230V socket complete this practical storage space, making it ideal for everything from outdoor furniture to sports equipment.

9 Alloy Wheels

16" bi-colour Diamond Black alloy wheels enhance the Whirlwind motorhome's contemporary appearance while offering a lightweight, durable design that contributes to confident handling and a refined driving experience.

8 Exterior Styling

The crisp Polar White exterior gives the Whirlwind GT and GTS a clean, contemporary look, while sleek graphics featuring signature Elddis red accents create a distinctive and modern presence on the road.

7 GRP Body

The Whirlwind's proven body construction features a durable GRP-clad underbody and roof alongside EPS insulation delivering long-lasting durability and dependable performance in all seasons.

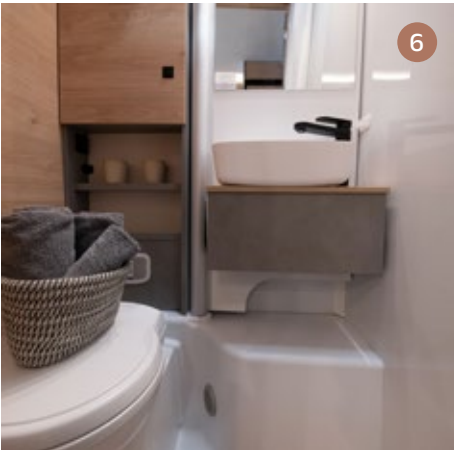

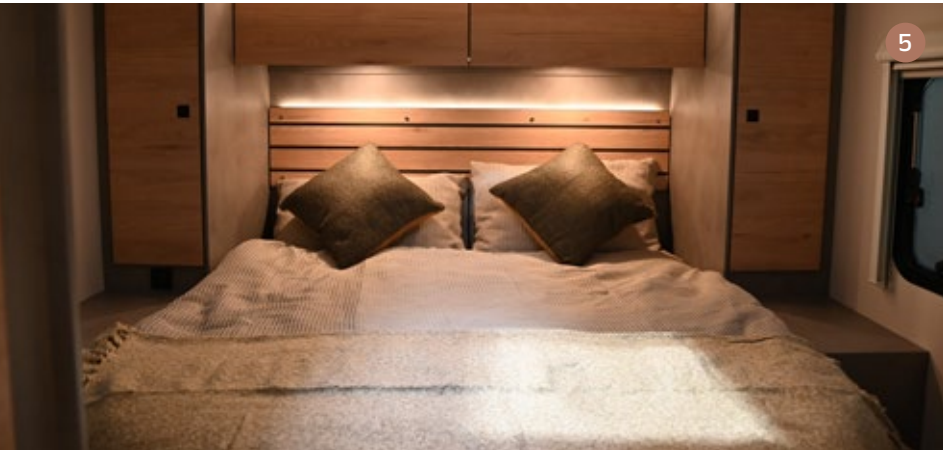

6 Entrance Door

The XL entrance door provides easy access to your Whirlwind motorhome, making getting in and out effortless. Complete with an integrated flyscreen, it allows you to enjoy fresh air throughout the living area while helping to keep unwanted insects outside.

5 Transmission

Whirlwind models are equipped with a 140bhp Manual engine as standard, delivering dependable performance for every journey. For those wanting even greater driving comfort or extra power, a 140bhp Automatic or 180bhp Automatic upgrade is also available.

1 Interior Design

Step inside the Whirlwind and you'll find a warm, contemporary interior designed to maximise the feeling of space. Light wood furniture is complemented by crisp white worktops and contrasting dark upholstery, creating a stylish yet inviting living environment that feels both modern and comfortable.

2 Living Space

The front lounge is the perfect place to relax - stretch out on the comfortable bench seating or simply swivel the captain's chairs to create a sociable living space. The large table provides plenty of room for meals, drinks or games, making it the ideal setting to unwind at any time of the day.

3 Kitchen

The well-equipped kitchen provides everything you need to prepare delicious meals wherever you are. The Thetford oven comes as standard, complemented by a practical four-burner gas hob, giving you the flexibility to cook with the same confidence and convenience as you do at home.

Thoughtfully designed storage keeps everything organised and within easy reach, with well-positioned cupboards providing ample space for cookware, while a convenient hanging rail for utensils helps keep worktops clutter-free and your kitchen neat and ready for every meal.

The spacious Thetford 131-litre tall fridge with an integrated freezer compartment provides ample storage for all your fresh food, frozen essentials and drinks, ensuring you're well stocked for every getaway without compromising on convenience.

4 Optional Drop-Down Bed

Whirlwind GT models come with the option of an electric, easy-to-operate drop-down bed, which is positioned over the lounge and cab area at the front of the motorhome.

5 Bedroom

Choose from either a rear twin bed or island bed layout. The Whirlwind's bedroom has been designed with comfort in mind, featuring ergonomic wooden slatted bed bases and 110 mm thick, seven-zone premium mattresses made from climate-regulating materials to help ensure a restful night's sleep and thoughtfully integrated overhead lockers provide generous storage for clothing and personal belongings.

If you choose the island bed layout, the bed can also be manually adjusted in height, allowing you to tailor the storage space beneath to suit your needs.

6 Bathroom

All Whirlwind motorhome bathrooms are thoughtfully designed with practicality and comfort in mind, featuring integrated storage areas, convenient hanging hooks, a large mirror and a generous wall-mounted washbasin.

Depending on the layout you choose, your motorhome will feature either a clever Vario-bathroom with a space-saving swivel wall or a separate toilet and dedicated shower area, giving you the flexibility to choose a layout with a washroom solution that best suits your needs.

7 Garage

Designed with practicality at its core, the Whirlwind's interior extends beyond the living space to a spacious rear garage, giving you the freedom to bring everything you need without compromising on comfort.

Easily accessed from both sides through twin garage doors with secure turn-and-tighten locks, the illuminated and heated garage keeps your belongings protected and ready to use in any season.

With a 150kg payload, durable anti-slip floor, integrated lashing rails and a convenient 230V socket, it's the ideal space for everything from outdoor furniture and bicycles to camping equipment and holiday essentials.

8 Light Moments

Indirect ambient lighting above the overhead lockers, combined with illuminated panels in the living area and kitchen, creates a warm and inviting atmosphere throughout the Whirlwind. Thoughtfully placed lighting enhances the feeling of comfort, making it the perfect space to relax and unwind.

1 Rear-View Camera

Rear-view camera integrated with the 10" Zenec infotainment system provides a clear, wide-angle view behind the vehicle, making reversing and manoeuvring simpler and safer, while the large touchscreen keeps essential driving and entertainment functions conveniently within easy reach.

12 Contemporary Paintwork

Fiat Artense Grey paintwork comes as standard, giving the Autoquest GTV a smart, contemporary appearance, or choose the optional Fiat Black finish for a more striking look that makes an even bolder statement on the road.

11 Alloy Wheels

16" bi-colour FIAT Maxi Alloy wheels enhance the Autoquest GTV's premium, contemporary styling while offering a lightweight yet durable design. Engineered to complement the FIAT Maxi chassis, they contribute to confident handling, long-lasting performance and a refined driving experience.

10 Exterior Styling

Modern Black and Grey exterior graphics give the Autoquest GTV a distinctive, contemporary appearance - giving your campervan a confident presence on the road.

2 Optional Pop-Top Roof

Increase your campervan's versatility by adding two additional sleeping berths, making it ideal for growing families, grandchildren or travelling with friends, while maintaining the Autoquest GTV's compact footprint. (Excludes 260 and 563)

3 Awning

An Anthracite awning comes fitted as standard, extending your living space outdoors to create the perfect sheltered area for dining and relaxing.

4 Panoramic Cab Sunroof

The panoramic cab sunroof fills the interior with natural light, creating a bright, open and welcoming living space.

5 Cab Area

Comprehensively equipped for every journey, with driver and passenger airbags, ABS brakes, power steering, cruise control, automatic headlights and windscreen wipers, plus heated mirrors. These features combine to enhance safety, reduce driver fatigue and provide greater comfort and convenience, allowing you to enjoy every mile with confidence.

6 Engine

Built on the proven Fiat Ducato 2.2L MultiJet Euro 6D Final chassis, delivering dependable performance and peace of mind for every journey.

8 NCC Approved

NCC Approved for complete peace of mind. Every Autoquest GTV undergoes more than 280 independent inspections and quality checks to achieve NCC Approval, demonstrating our commitment to quality, safety and manufacturing excellence so you can travel with confidence.

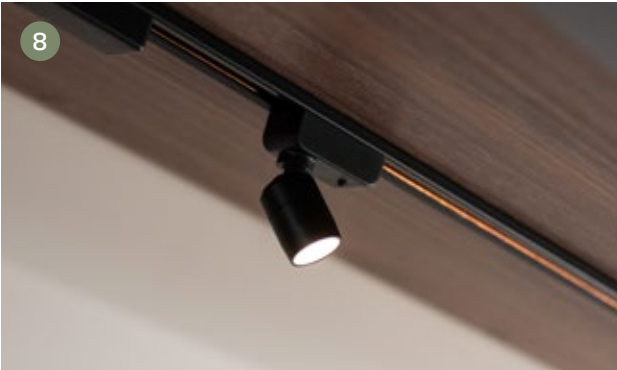

7 Transmission

Automatic 140BHP as standard on all models provides effortless driving no matter the journey.

9 Built-In Electric Step

A built-in electric entrance step comes as standard, making access effortless and eliminating the need to carry a separate entry step.

1 Interior Design

Step inside the Autoquest GTV and you'll be welcomed by a contemporary interior that blends warm tones with complementary textures to create a bright, inviting living space. The carefully selected Quest Maroon upholstery combines high-quality fabric with leatherette trim, delivering the perfect balance of comfort, durability and premium styling, so you can relax and feel at home wherever your journey takes you.

2 Living Space

The front lounge is the perfect place to relax - stretch out on the comfortable bench seating or simply swivel the captain's chairs to create a sociable living space. The extending table provides plenty of room for meals, drinks or games, making it the ideal setting to unwind at any time of the day. (Excludes 260)

3 Front Bed Conversion

Need an extra sleeping space? No problem. The front lounge quickly and easily converts into a spacious, comfortable bed, making it perfect for an additional guest or family member. (Excludes 260)

4 Kitchen

The well-equipped kitchen has everything you need to prepare meals with ease, whether you're making a quick breakfast or cooking a hearty evening meal. The Thetford oven comes as standard, complemented by a practical two-burner gas hob, giving you the flexibility to cook just as you would at home.

Thoughtfully designed storage keeps everything within easy reach, with well-positioned cupboards for your cookware, a convenient hanging rail for utensils, and a practical wall pocket that's perfect for storing everyday essentials, helping to keep your worktop clutter-free and your kitchen organised.

The Thetford 90-litre fridge with integrated freezer is conveniently positioned beside the sliding door, making it easy to access whether you're preparing meals inside or relaxing outdoors.

5 Bedroom

Choose from two rear lounge layouts or three rear bed with garage layouts.

The 554, 560 and 563 feature a spacious rear bed with a generous garage beneath. If you prefer the convenience of a bed that's always ready for a great night's sleep, while still offering the flexibility to lift it and create additional storage space, these layouts are the perfect choice.

Alternatively, the 260 and 460 feature a comfortable rear lounge that makes the most of the living space during the day. When evening arrives, the sofa quickly and easily converts into either a large double bed or two comfortable single beds, giving you the flexibility to sleep the way you prefer.

6 Bathroom

The bathroom in the Autoquest GTV is compact yet still offers you a Thetford toilet, shower, sink and storage. Plus, a 100L fresh water tank combined with the Truma Combi 6 with 10L boiler ensures you always have a great supply of hot running water.

7 TV and 5G WiFi

A 22" HD TV, complete with its own mounting bracket, comes as standard, making it easy to unwind with your favourite films and TV shows after a day out. When you need to stay connected, the integrated 5G WiFi router keeps you online, whether you're streaming entertainment, planning your next destination or keeping in touch with family and friends.

8 Spotlights and USB

The innovative track-mounted spotlights and USB charging ports can be repositioned in seconds, allowing you to customise both the lighting and charging points to suit your needs. Whether you're reading in bed, preparing a meal or relaxing in the lounge, you can direct light exactly where it's needed and conveniently charge your devices from multiple locations throughout the campervan.

Note 1: The Mass In Running Order (MIRO) - Weight of the Campervan equipped to the manufacturer’s standard specification including essential habitational equipment.

Note 2: User Payload includes the Personal Effects payload, conventional load and the Optional Equipment Payload.

Note 3: Maximum Technically Permissible Laden Mass (MTPLM) - The technical maximum permissible laden weight of the Campervan.

Note 4: Please take care to ensure that you have allowed for the masses of all items you intend to carry in the Campervan.

Note 5: All data is calculated using metric weights and measurements. The imperial figures quoted are conversions thereof. All dimensions have a tolerance of +/- 25mm

Note 6: Your Campervan weights have been calculated with all water tanks empty and you are recommended to travel with all water tanks empty

Note 7: WARNING : Under no circumstances should the plated MTPLM of the Campervan be exceeded

Note 8: Heights are measured to the highest point on an unladen vehicle with the aerial in the lowest position.

Note 9: A MIRO tolerance of +1.5% is permitted as per the NCC COP 402 regulation to account for build variance.

Note 10: To ensure the minimum user payload of the vehicle is delivered and the MTPLM is not exceeded the removal of additionally specified options may be required.

Autoquest GT & GTS

Ready to hit the road.

Available in five versatile layouts, the Autoquest GT and GTS ranges offer a model to suit every style of motorhoming.

Choose from two slimline GTS models, featuring a narrower 2.2m-wide body for enhanced manoeuvrability, or from three GT models with a wider 2.33m body that deliver even more interior living space.

Taking comfort and style to the next level, every Autoquest GT and GTS features a striking Exhibition Grey exterior, premium Quest Maroon partial leather upholstery and an enhanced specification that includes a 5G WiFi router and a 22" HD TV as standard.

1 Rear-View Camera

The rear-view camera, integrated into the Moniceiver infotainment system with DAB+, wireless Apple CarPlay and Android Auto, provides a clear wide-angle view behind the vehicle, making reversing and manoeuvring easier and more confident. The large touchscreen keeps navigation, entertainment and essential driving functions conveniently within easy reach, ensuring every journey is as enjoyable as it is effortless.

2 NCC Approved

NCC Approved for complete peace of mind. Every Autoquest GT & GTS undergoes more than 280 independent inspections and quality checks to achieve NCC Approval, demonstrating our commitment to quality, safety and manufacturing excellence so you can travel with confidence.

3 Cab Area

Comprehensively equipped for every journey, with driver and passenger airbags, ABS brakes, power steering, cruise control, automatic headlights and windscreen wipers. These features combine to enhance safety, reduce driver fatigue and provide greater comfort and convenience, allowing you to enjoy every mile with confidence.

4 Engine

Built on the proven Fiat Ducato 2.2L MultiJet Euro 6D Final chassis, delivering dependable performance and peace of mind for every journey.

10 Garage

Take everything you need with the spacious rear garage, designed to keep your equipment secure, organised and easily accessible. Illuminated and heated for added convenience, it features access from both sides via twin garage doors with secure turn-and-tighten locks. With a payload of 150kg, anti-slip floor, lashing rails and a 230V socket complete this practical storage space, making it ideal for everything from outdoor furniture to sports equipment.

9 Exterior Styling

Habitation Grey paintwork comes as standard, giving the Autoquest GT and GTS a sleek, contemporary appearance. Paired with striking Black graphics, it creates a modern, refined exterior that is sure to stand out wherever your travels take you.

8 Alloy Wheels

16" bi-colour Diamond Black alloy wheels enhance the Autoquest motorhome's contemporary appearance while offering a lightweight, durable design that contributes to confident handling and a refined driving experience.

7 GRP Body

The Autoquest's proven body construction features a durable GRP-clad underbody and roof alongside EPS insulation delivering long-lasting durability and dependable performance in all seasons.

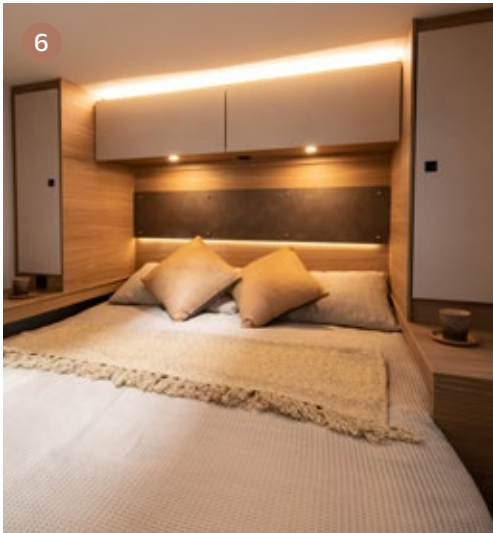

6 Door & Step

The XL entrance door with electrical step provides easy access to your Autoquest, making getting in and out effortless. Complete with an integrated flyscreen, it allows you to enjoy fresh air throughout the living area while helping to keep unwanted insects outside.

5 Transmission

Autoquest models are equipped with a 140bhp Manual engine as standard, delivering dependable performance for every journey. For those wanting even greater driving comfort or extra power, a 140bhp Automatic or 180bhp Automatic upgrade is also available.

1 Interior Design

Step inside the Autoquest GT and GTS and you'll be welcomed by a contemporary interior that blends warm tones with complementary textures to create an inviting living space. The carefully selected 'Quest Maroon' upholstery combines high-quality fabric with leatherette trim, delivering the perfect balance of comfort, durability and premium styling, so you can relax and feel at home wherever your journey takes you.

2 Living Space

The front lounge is the perfect place to relax - stretch out on the comfortable bench seating or simply swivel the captain's chairs to create a sociable living space. The large table provides plenty of room for meals, drinks or games, making it the ideal setting to unwind at any time of the day.

3 Drop-down bed as standard

Need an extra sleeping space? No problem. At the touch of a button, the electrically operated drop-down bed lowers effortlessly above the front lounge to create a spacious double bed for family or guests. When not in use, it stows neatly away, allowing you to make the most of the living space throughout the day. (Excludes GTS models).

4 Kitchen

The well-equipped kitchen provides everything you need to prepare delicious meals wherever you are. The Thetford oven comes as standard, complemented by a practical four-burner gas hob, giving you the flexibility to cook with the same confidence and convenience as you do at home.

Thoughtfully designed storage keeps everything organised and within easy reach, with well-positioned cupboards providing ample space for cookware, while a convenient hanging rail for utensils helps keep worktops clutter-free and your kitchen neat and ready for every meal.

The spacious Thetford 131-litre tall fridge with an integrated freezer compartment provides ample storage for all your fresh food, frozen essentials and drinks, ensuring you're well stocked for every getaway without compromising on convenience.

5 TV and 5G WiFi

A 22" HD TV, complete with its own mounting bracket, comes as standard, making it easy to unwind with your favourite films and TV shows after a day out. When you need to stay connected, the integrated 5G WiFi router keeps you online, whether you're streaming entertainment, planning your next destination or keeping in touch with family and friends.

6 Bedroom

Choose from either a rear twin bed or island bed layout. The Autoquest's bedroom has been designed with comfort in mind, featuring ergonomic wooden slatted bed bases and 110 mm thick, seven-zone premium mattresses made from climate-regulating materials to help ensure a restful night's sleep and thoughtfully integrated overhead lockers provide generous storage for clothing and personal belongings.

If you choose the island bed layout, the bed can also be manually adjusted in height, allowing you to tailor the storage space beneath to suit your needs.

7 Bathroom

All Autoquest motorhome bathrooms are thoughtfully designed with practicality and comfort in mind, featuring integrated storage areas, convenient hanging hooks, a large mirror and a generous wall-mounted washbasin.

Depending on the layout you choose, your motorhome will feature either a clever Vario-bathroom with a space-saving swivel wall or a separate toilet and dedicated shower area, giving you the flexibility to choose a layout with a washroom solution that best suits your needs.

8 Garage

Designed with practicality at its core, the Autoquest's interior extends beyond the living space to a spacious rear garage, giving you the freedom to bring everything you need without compromising on comfort.

Easily accessed from both sides through twin garage doors with secure turn-and-tighten locks, the illuminated and heated garage keeps your belongings protected and ready to use in any season.

With a 150kg payload, durable anti-slip floor, integrated lashing rails and a convenient 230V socket, it's the ideal space for everything from outdoor furniture and bicycles to camping equipment and holiday essentials.

9 Spotlights & USB

The innovative track-mounted spotlights and USB charging ports can be repositioned in seconds, allowing you to customise both the lighting and charging points to suit your needs. Whether you're reading in bed, preparing a meal or relaxing in the lounge, you can direct light exactly where it's needed and conveniently charge your devices from multiple locations throughout the motorhome.

Installed as standard in your vehicle

Truma combi 2-in-1 heating & hot water systems

Truma Combi heaters are powerful 2-in-1 units, which warm up the interior of your vehicle and produce the hot water for washing and showering.

Some models are fitted with a diesel & electric combi, whilst others feature a gas & electric device. You can power the device with the primary source of diesel or gas or when electric power is available you can heat with electric or use a mixture of power sources.

Heat Hybrid flexible source of heat, allowing faster heat-up time.

Intuitive operation the iNet X 2 control panel allows you to easily control the system, the seamless all glass panel offers – easy to use capacitive touchscreen capability.

2-in-1 function heating the room and heating water simultaneously.

Highly efficient Highly efficient diesel or gas burners to minimise running costs.

Combi Diesel / Electric

The Combi 6DE (6kW) model is fitted as standard in the Whirlwind GTS / Autoquest GTS models.

The Combi 4DE (4kW) is fitted as standard in the Whirlwind GTV / Autoquest GTV Campervans with rear lounge layouts.

The diesel version is equipped with a high-quality burner and therefore reliably heats the vehicle while driving.

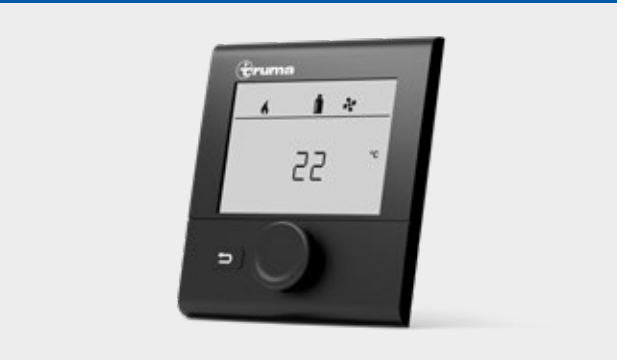

Combi Gas / Electric

The Combi 6E (6kW) model is fitted as standard in the Whirlwind GT / Autoquest GT models.

The Combi 4E (4kW) model is fitted as standard in the Whirlwind GTV / Autoquest GTV Campervans with rear bed layouts.

The gas version is equipped with a high quality and efficient burner which makes this one of the most fuel efficient heating devices available today.

Truma CP+ digital control panel

The classic tried and tested Truma CP+ digital panel is easy to use with the Combi heater and the Truma Aventa air conditioning system. Use the practical rotary push-button to set the room and water temperatures in your motorhome simply and conveniently. Potential to upgrade to the iNet X system (depending on model) as an optional extra.

Truma optional extras

Whirlwind vehicles come with the option of pre-wiring for an air conditioner or solar panel, whilst Autoquest models have this pre-wiring feature as standard. The pre-wiring means that the air conditioner and solar panel can be installed easier and neater prior to your delivery.

Additional products to give you ultimate comfort on the move

Aventa 2nd Generation air conditioning systems

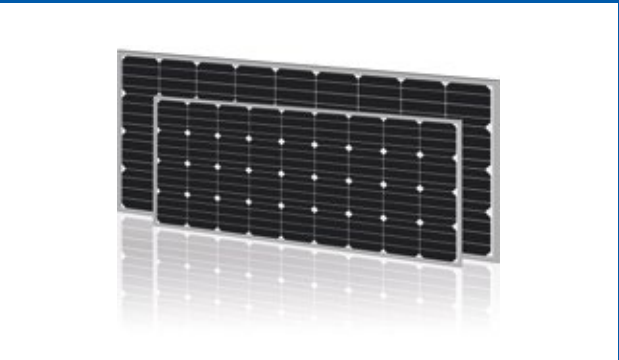

First-class cooling performance yet lightweight, this roof-mounted air conditioner impresses with a cooling capacity of up to 2500W. There are three models to choose from; the Aventa Comfort, Compact Plus or Compact Unit, with options in white or black colour. Your retailer can advise which models suit each vehicle.

Thanks to its efficiency and lightness, it is the ideal choice for those who value high performance and ease of use.

Low noise Thanks to the new night mode

Lightweight The new design and new compressor makes this unit particularly light compared to other roof mounted air conditioning systems

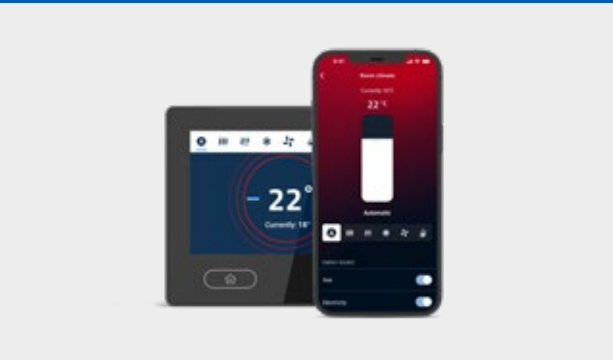

Less impact on the environment The New refrigerant has almost zero Global Warming Potential (GWP) and offers impressive cooling performance

Solar panels flexible and rigid

Experience true off-grid independence on the road with solar. With advanced solar technology, you can enjoy maximum energy output and peace of mind knowing your essential devices and appliances stay charged. Opt for the Semi Flexi panel which lies flush to the roof for lightweight and streamlined benefits. Or select the rigid panel for extra stability and durability.

Available up to 260W power. Your retailer can advise which size of panels can fit your vehicle.

iNet X Connect

Add this far-field module to your systems suite inside your van letting you use your iNet X app on the move. Switch your air conditioning or heating system on or off whilst you are away from your vehicle via the App on your smart device.

McRent

Experience Elddis Before You Buy

With McRent locations across the UK, you can hire an Elddis motorhome or campervan and experience it for yourself before making your purchase. It's the perfect way to get a feel for the layout, features and driving experience, helping you choose the Elddis model that's right for you.
