XC CARAVAN RANGE

OFF THE GRID

THE ALL-NEW BRAND FOR ADVENTURE SEEKERS

AN EXCITING XPLORE FUTURE

Introducing the all new Xplore range
of caravans:

Xplore Lite
Xplore Duo
Xplore Quad

XPLORE RANGE HIGHLIGHTS

01 ALL NEW DESIGN LANGUAGE

A new range of adventure inspired products, with a completely new look and feel. The Xplore range is designed for the adventure seeking family. External side panels in 'Diamond Silver' with 'Topographical' graphics, matt back accents around the rear light clusters and black alloy wheels give the range a unique look.

02 EXTENSIVE STANDARD SPECIFICATION

You will find impressive standard specification suited to the connected outdoors lifestyle across all 3 models.

Specification includes mobile Internet and WiFi, bike rack x 2, split 'stable door' design, dual fuel hob, external BBQ point and integrated microwave. Plus more, all as standard.

03 ROBUST AND PRACTICAL

The Xplore range is built to complement an active lifestyle, whether you're trekking, climbing, mountain biking, or enjoying watersports.

It features easy-to-clean, heavy-duty textured flooring tiles in the 'Harlem' design, along with durable Nagoya-textured wall coverings. The Chevron upholstery offers supreme comfort with reinforced leg support, ensuring a relaxing recovery after a busy day. Its wipe-clean surface makes it practical for any spills. The stylish cushions echo the striking 'topographical' exterior graphics, while the lower cabinets boast a durable dark grey finish, beautifully contrasted with lighter upper cabinetry, enhancing the bright and airy feel of the interior.

04 IDEAL FOR TOWING

Between 1090KG and 1380KG, the Xplore range provides the ideal towing caravan for those with a smaller tow car, with a standard hatchback perfectly suited for towing these models. Light and nimble, all come in at 2.18m (7'2") wide they can get down the smallest of B-roads to the more remote campsites.

05 SUPERB GUARANTEES

With an industry leading 3-year warranty and 10 year warranty for water ingress and body integrity Xplore provides one of the best warranties available. Backed by Erwin Hymer Group at its factory in Consett alongside the Eddis and Buccaneer brands.

06 NETWORK

Our UK dealer network is there to assist with your needs. Be it for sales or aftersales there is guaranteed to be one close to your location. Predominantly family-owned businesses, our dealer network has been chosen for their passion and dedication to their customers.

The ingenious three-in-one package. Rear dinette during the day, converting to a single berth (plus bunkbed), the smallest caravan in the range really is the perfect package. Light weight for towing, easy to pitch, up to an incredible 4 berths! Perfect for active people wanting the most out of their weekends.

FAMILY-FRIENDLY

The dinette or expedition headquarters during the day, a single berth at night! Having another guest joining for the weekend? No problem, another berth folds down from the wall. An ingenious solution wrapped up in a compact package.

TOWING

At just 1090KG the XC Lite is the perfect tourer for those with a smaller tow car, with a standard hatchback perfectly suited for towing this model. Light and nimble, at 2.18m (7'2") wide it can get down the smallest of B-roads to the more remote campsites.

AT THE END OF THE DAY...

The front lounge converts simply and easily into comfortable double bed.

XC LITE

YOUR ADVENTURE COMPANION

XC DUO

FOR LIFE'S EXPERIENCES

The rear kitchen and washroom layout of the XC Duo really does lend itself to the outdoor lifestyle. The spacious washroom is ideal for those with wet or muddy footwear and clothes. Relax in the supersize lounge and plan the following day's activities.

2 BERTHS = MORE LIVING SPACE

The XC Duo, while having 2 less berths than the XC Lite, provides an abundance of living space in return. With a corner kitchen at the rear providing a different aspect to a traditional tourer layout and a larger lounge come bedroom space.

COMPACT, TOUGH AND DURABLE

As with all Xplore models, the interior has been designed for the active lifestyle, easy clean heavy duty textured flooring tiles, robust Nagoya textured wall coverings and supremely comfortable but durable Chevron upholstery with bolstered leg support for peaceful recovery after an energetic day. Easily wiped clean if you forget to take off those muddy boots! Oh, and it's 100% recycled material, too.

The XC Quad provides all of the benefits of the XC Lite and XC Duo but in a larger package. The rear double bedroom, being a permanent feature, comes with a retractable transverse island bed, creating more space during the day when the bed is not in use and is ideal for collapsing into after a strenuous day's activities!

The front seating arrangement can be used as two singles or a double depending upon your needs or just for discussing the day's events!

THE ONE WITH THE PERMANENT BEDROOM

The XC Quad is the only caravan in the Xplore range with a permanent bedroom. If making your bed after a day trekking or canoeing on the lake is not for you, then the luxury of a permanent bedroom and the XC Quad is calling.

TOWING

At just 1380KG the XC Quad is the perfect tourer for those with a smaller tow car, with a standard hatchback perfectly suited for towing this model. Light and nimble, at 2.18m (7'2") wide but somewhat longer than the other two Xplore models it trades some of its exterior compactness for interior space.
